Father Christmas

This year has been a little topsy-turvy, so Santa wants to ensure that Christmas happens properly and he's on tip top form for his Christmas Eve journey around the world!

He is staying in the North Pole, to make sure that Rudolf and the rest of the reindeer don't catch the yucky virus, but he has especially requested that he makes a very special appearance with his friends and families at Drewton's!

Santa will be visiting us 'virtually' this time but the magic will still be with us as we welcome our little visitors into our Winter Wonderland, where you can enjoy some quality time with Father Christmas on the big screen.

Visits are on a strict five or ten minute system, with restricted family numbers*, and bookings can now be made in store or by phone

Sunday 6th 10am – 5pm
Sunday 13th 10am - 5pm

Five minutes
£12 for one child
£20 for two children

Ten minutes
£20 for one child
£32 for two children

*max of five family members (or as per government ruling)

Suitable for children aged 3-10

The elves cannot take photos due to restrictions, so please remember to bring your camera or iphone, which can be set to self-timer!

SANTA'S POST BOX

For parents' information!!

There is a change to the way we will run Santa's Post Box this year and replies are only available to those who have booked.

Simply pick up a form to complete, or upload it from our website. Please either attach the form to the letter or sneak the form inside the letter and post it before Saturday 28th November. Santa's Post Box will be in store from half term.

The information sent will form part of the personalised reply handed out to parents at the end of your visit, to post once home. Original letters will also be handed back to the parents for safe-keeping and nostalgia!

Any other letters posted will be kept on one side for parents to collect at their convenience.

Bookings can be made in store or by telephone 01430 425079. Payment in full is required upon booking (non-refundable).
